In a few words please describe how you want your room to feel? Eg cosy, modern, more light

What are your space “must haves” and “nice to haves” - eg; More storage, media wall, multipurpose

Are there any functional elements that either work really well or don't that needs to be considered?

Please share up to 6 images of rooms that you like - this could be a specific feature in a space or down to how the room looks ie cosy, colours

Please share photos of your existing room including approximate measurements of length, width and height.

Any other information you would like to share about the project or space including any existing items/furniture that will remain in the space:
